

## College Success Classroom Activities

### Day 3

#### Chapter 2, Learning Styles

##### Student Activities:

1. Activity after opening bell: have students quickly preview Chapter 2, and then write one or two sentences summarizing the chapter. Then have students share their answer with a partner. 5 minutes.
2. Take quiz on Chapter 1. 15 minutes.
3. Review the “Benefits of Knowing and Using Your Preferred Learning Style and Types of Intelligence” in Chapter 2 of *Achieve College Success*.... Have students select the two that they feel are most important and share their answers with a partner, explaining why they think they are important. 5 minutes.
4. Have students take the “Learning Style Questionnaire” in Chapter 2 of *Achieve College Success*.... and then add up their scores. 15 minutes.
5. Briefly explain the three different sensory learning styles. 5 minutes.
6. Students look over “Tips to Effectively Use Visual, Auditory and Kinesthetic Learning styles” in Chapter 2 of *Achieve College Success*.... 5 minutes.
7. Group students together by learning style. Have each student suggest two ideas for how they might use their preferred learning style to prepare for tests. Have students share their answers with their group. 20 minutes.
8. Students work on Goal papers. 20 minutes.
9. Wrap-up. 5 minutes.
